12:00 – 13:30 **Key developments in Spectrum policy in Western Balkan economies**

Moderated by: Ms. Pranvera Kastrati, Regional Cooperation Council

The session will inform the participants on the key development in spectrum policies across Western Balkan economies. State of play, institutional and regulatory framework in each Wb6 economy will be presented. Moreover, the WB6 economies will be required to (i) present readiness for 5G network and adopt new spectrum policy, legal and regulatory framework, (ii) cross border coordination aspects, if any, (iii) challenges and solutions on regional spectrum policy harmonization from the national and regional perspective. Having in mind that spectrum policy is a MAP REA measure, the meeting may facilitate discussions among WB6 on potential regional actions in this regard.
