WB6-EU INDUSTRIAL PARKS PARTNERSHIP

CONNECTING PARKS. BUILDING VALUE CHAINS. ADVANCING GREEN PRACTICES.

The WB6-EU Industrial Parks Partnership connects selected industrial parks and partner organisations from the WB6 and the EU.

The Partnership aims to create opportunities for value-chain development and business linkages and to support the transfer of eco-friendly practices.

Launched under the 2026 Berlin Process, the Partnership supports the implementation of the Common Regional Market Action Plan 2025-2028 (CRM 2.0).
