Roma Decade Steering Committee

12-13 June, 2007 Sofia
Virag SANDOR
Decade and the role of the European Commission

- 2004 Roma largest minority, but faces exclusion

- Decade Roma Inclusion is key tool to address, has a potential to serve as policy framework

- Reason for Commission supports the Decade’s mission
Decade and the role of the European Commission 2

- 2005 Commission’s support was materialised with Commissioner Hubner and Spidla – lately further strengthened
- EC does its best to transform it to implementation
- The commitments of the Decade countries’ heads of government is impressive
- The high level implication of national government representatives
- mark an unprecedented commitment,
- shows political will for action on Roma inclusion,
- projects to take it forward to implementation
Decade and the role of the European Commission 3

- The EC fully supports the decade progress and observes its development with great interest.

- Lately the Decade Watch initiative was presented at the ISG on Roma.

Next steps:

- EC looks forward to the full report and the materialised results of strategy implementation.

- Tangible results will allow the Decade and the EC to further strengthen co-operation.
Commission Activities in the Roma field

- Theory
- Practice
Theory

- **General Regulations** – considerable involvement, mention

- **SF**: ESF, ERDF … trans-national co-operation

- **Anti-discrimination law** — basic principle for Roma inclusion

  (most advanced legal framework in fighting against discrimination on racial and ethnic minorities)

- 10 years, need to act against discrimination formally recognised in the Treaty
- 1st step to translate commitment: 2000/43
- screening the transposition
Practice

- Year of Equal Opportunities – Awareness raising on people’s rights
- training of NGOs, judges, lawyers
- stop discrimination campaign
  - Training business, youngsters
- Exchange b/w equality bodies-public, legal experts reports
Commission Activities in the Roma field

- **Structural Funds – ESF, ERDF…** - most efficient way to support Roma inclusion, coordinated by:

- **Inter Service Group on Roma – OSI+Roma Decade** contributed useful presentations

- **High Level Group on Ethnic minorities’ Integration to the Labour market**
  - end 2007 report highlights practical way to use EU policies and programmes to promote integration of ethnic minorities and Roma
