Ministry of Education:
Early Childcare program, Other Studies
Action Plan for Early Childcare and broadening of the Conception of Children until the age of 6

- April 20th 2009, the government approved the Action Plan for realization of “Conception of Early Childcare for Children from socially disadvantaged environments”.

- Good Example of Cooperation between ministries: Education, Labour and Social Affairs and Health.

- The implementation of this Action Plan leads into preventive action and preparation trainings for family.
Study on the Situation of Roma Children in the Czech Educational System and Conclusion related to Preschool Care of Socially disadvantaged

- One of the first ethnically oriented studies!!

  - Educational pathways and educational chances of Roma students of primary education from socially excluded localities,

  - Analysis of lecturers’ individual approach towards students with special needs,

- Conclusion: Integration of Roma children into regular preschool care (nursery schools) in combination with the system of pedagogic assistant is the most effective approach (leading into better school results in long term).

Ministry for Labour and Social Affairs:
Welfare system Reformation
Public Services for Employment (Labour Offices)

- **Individualized Services**: client’s Action Plans;

- **Outsourcing** of activation services (VVP, retraining, consultancy);

- **2009 – State Labour Office and Social Affairs** (integrated public services, complex social work with disadvantaged clients);

- **Periodical Evaluation of Employment Activation Policy** (at this moment only statistical data, not so profound).
Welfare System Reformation

- Motivating the Unemployed: implementing existential minimum, modification of access to social welfare benefits, access to social welfare benefits is conditioned by active search for employment (working age population), special care till 20 years
  - Special care for:
    - younger than 20 years and older than 50
    - Accumulation of disadvantages
    - Individual action plans
    - Labour Offices can cancel registration at the Office, if the client does not follow retraining program after 5 months of being registered at the office

- ESF programs:
  - Special focus on socially excluded (Roma) under operational program human resources and employment
  - OP LZZ priority 3.2 – integration of socially excluded members of Roma communities
  - OP LZZ priority 3.3 – integration of socially excluded groups into labour market
IV.

Ministry of Health: Sastipen
The project has been finalized, now it reached an evaluation phase.

Awaiting a final analysis and recommendations, which can help to decrease inequalities in healthcare and to help with drafting and proposing individualized practices.
Conclusion

- Political will to improve the situation
- Cooperation among ministries
- Monitoring of Roma Marginalized Localities
- Work of the Agency for Social Inclusion in selected localities
Thank you for your attention,
