- Anti-segregation policy
Policy environment

- Law on Equal Treatment and Equal Opportunities (adopted in 2003)
- Decade of Roma Integration – long-term strategy 2005-2015
Segregation

- **Housing**
  - Cca. 500 Roma settlements
  - Growing territorial ghettoisation

- **De-segregation policy**
  - Special de-segregation projects for Roma settlements
  - Equal opportunity funding policy – Desegregation criteria for EU funds
    - Urban development projects – No de-segregation EU funds!
Segregation is the significant alteration of low status (very low status) people (children) comparing to average by regional or by schools measures.

- **Low status people** - people without permanent income and having not higher educational status than 8 grade.
- **Low status children** - children in low income family and parents have not higher educational status than 8 grade.
Eradication of Roma settlements (shanty-towns)

- Launched in 2005
- Objective
  - De-segregation
  - Social integration of people living in Roma settlements
