International Conference, Sarajevo, May 2015
„INTEGRATED APPROACH TO SOCIAL INCLUSION OF ROMA THROUGH HOUSING AND EMPLOYMENT“
Roma Housing Program
2009 – 2014
Doing the right thing
Action Plans for Roma Population

- Housing
- Employment
- Health insurance
- Education
Program objectives

• Overall objective: To improve the living conditions of Roma in Bosnia and Herzegovina (B&H).

• Specific objective: construction and reconstruction / improvement of individual housing units or the construction of facilities of social housing for the most vulnerable Roma families in B&H.

• Support to the B&H Ministry for Human Rights and Refugees (MHRR) in the implementation of the Roma Housing Plan.

• To mitigate the migration of Roma to Western Europe.
The most important documents issued by MHRR

- Instructions on how to allocate aid, the selection of beneficiaries and implementation of projects for the Roma Housing in Bosnia and Herzegovina;
- Criteria for scoring the beneficiaries for the Roma Housing in Bosnia and Herzegovina;
- Standards for the re-construction and construction of housing units and infrastructure for Roma Housing in Bosnia and Herzegovina.

(all of these documents are available on the website of MHRR)
Methodology

a) Public call by MHRR for Roma Housing;

b) Selection of the best proposals by MHRR;

c) Signing the agreement between the MHRR and implementers (Municipalities / Cities; Non-Governmental Organizations (NGOs); signing agreements between implementers and project stakeholders

d) Selection of beneficiaries (through the municipal / city Commission for selection of beneficiaries);

e) Preparation of technical documentation (by an authorized designer company);

f) Selection of the contractor in accordance with the Law of Public Procurement of Bosnia and Herzegovina;

g) Construction and supervision of the construction;

h) Solving basic infrastructure (electricity, water and sewage in cooperation with the authorized public utility provider;

i) Technical reception and handover of the keys to beneficiaries.
Achievements Roma Housing 2009-2014

Country level
• Total invested assets are 12 million EUR, including the public budgets, donor funds and co-financing by the implementers and local authorities;
• projects were implemented in more than 60 municipalities;
• 740 housing units built or reconstructed, including the EU IPA funds in the amount of 2.5 million EUR
• more than 1,000 Roma families were beneficiaries of infrastructure projects.

Caritas Switzerland (CaCH) contribution
• During 2009 - 2013 CaCH worked in 7 municipalities (8 projects); 113 housing units for 581 persons constructed or reconstructed;
• housing units owned by beneficiaries: 92 individual housing units;
• socially owned flats: 21;
• implementation in 5 municipalities (34 housing units for 149 persons) ongoing.

  CaCH + City of Mostar ..307.365,00 EUR

- **City**
  - **December 2010**: Agreement between City of Mostar and CaCH defined obligations and responsibilities for both signatories.

- **NGO „Neretva”**
  - **May 2011**: Agreement between NGO „Neretva” and CaCH defined obligations and responsibilities for both signatories.
Location, Bišće polje
Project documentation

- The settlement had been designed for Roma population according to urban-technical requirements of the Department of Urban Planning and the Construction Code issued on April 11, 2008; the detailed project documentation for the settlement was financed by the City of Mostar.
- The project for the exterior works (including connection to water and sewage) issued on March 30, 2012 was funded by CaCH.
The scope of the project - Technical description

- The project comprises 30 flats (built in 3 phases: 18+6+6).
- The housing units (9 x 9 m) are placed in line;
- Each housing unit has 3 flats, except one with 6 studio flats,
- Each flat has a separate entrance;
- Ground floor flats: surface 65.75 m² with kitchen/living room, 3 bedrooms, bath;
- Upper floor flats: surface 37.00 m² with kitchen/living room, 1 bedroom, bath;
- Studio flats: surface 23.40 m² with kitchen/living room/bedroom, bath;
- The total size of 30 housing units: 1258.40 m² net surface.
Beneficiary selection

- Appointment of the Commission for beneficiary selection (October 2010)
- Public call for potential beneficiaries
- Evaluation of the applications
- Field visit to the potential beneficiaries – verification of the applications in the field
- Preparation of the preliminary ranking list of candidates; publishing the list on municipality and Roma community level with the option for complaints by individuals
- Report of the Commission to MHRR
- Final approval of the ranking list by the MHRR (May 2011)
- Signing the Contract (June 2011)

Signing of the Contract
June 22, 2011
Construction contractor selection - Public procurement procedure

• Establishing Commission for Public Procurement;
• Launch call for offers in Official Journal;
• Collection and evaluation of received offers;
• Recommendation (commission) and decision (implementer) regarding construction contractor;
• Issuing the report regarding the realized Public Procurement Procedure in Official Journal;
• Signing the Tripartite Contract: CaCH, MHRR and construction contractor.

The complete procedure is done in accordance with the Law on Public Procurement!
Technical implementation

- Building permission issued by the City;
- Introduction of construction contractor into project;
- Execution of works by contractor and supervision by CaCH:
  - 18 flats
  - Facade
  - External works and retaining wall
  - Provision of the basic infrastructure (electricity, water supply and sewage system) by the City and CaCH in cooperation with utility providers;
- Technical reception, issuing of the operating license and handover of keys to the beneficiaries.
Implementation plan of the complete settlement

• **I phase** - Implementer Caritas Switzerland, deadline for implementation 30 months - **finalized**
  - 18 flats (6 three bedrooms apartments and 12 one bedroom apartment, total size 838,50 m²)
  - External arrangement

• **II phase** – Implementer City of Mostar, deadline for implementation 12 months - **finalized**
  - 6 flats (one bedroom apartment, total size 140,40 m²)
  - 24 shed for firewood

• **III phase** – Implementer Caritas Switzerland, deadline for implementation 12 months - **implementation in progress**
  - 6 flats (2 three bedrooms apartments and 4 one bedroom apartments, total size 279,50m²)
  - 6 shed for firewood
Building works – land clearing
Excavation for strip foundations
Concreting baseplate and masonry work
Concreting ceiling and roof construction
Roofing
Facade works (styrofoam 10 cm)
Final layer of the façade
Exterior works
Retaining wall
Handover of keys: Ceremony on July 04, 2013
Duration of the Phase I and the Budget

- Period December 2010 – June 2013 (30 months)

- Budget 460.755,00 EUR

- Donors:
  - MHRR .................... 153.390,00 EUR
  - CaCH ...................... 149.251,00 EUR
  - Mostar .................... 158.114,00 EUR
Monitoring in Roma settlement
(August 2013 – June 2014)
